

Manitoba Dairy Farm Management Group

Is holding an **OPEN MEETING**

Wednesday November 21 2018

At

****Mennonite Heritage Village, Steinbach****

Starting promptly at 11am

We have a **range of topical** subjects for the initial meeting of the 2018/19 season. **Use or non-use of antibiotics** – **Reg Clinton DVM** from St Mary's ON will speak on this topic that is causing much discussion in the global dairy industry. **Length of dry period** is another contentious issue to be discussed.

The 2 presenters from **RBC** will discuss **secure and easy ways to pay bills and employees** and **Mitigating against Rising Interest Rates**

Leadership and Leadership Development– **Jeremy Janzen** is the Senior Director of HR at **Hylife**. He will integrate traditional related human resource topics into his talk on universal leadership.

Thanks to Royal Bank Canada for sponsoring this event
